

Covid - 19 ACTIONS

WE TAKE CARE OF YOUR SAFETY

- We follow the recommendations and guidelines of the local competent authorities regarding the control of Covid-19.
- Keeping a distance with us is no problem: we are a small-scale B&B on a large terrain.
- Disinfecting products are available in the common areas.
- The common areas are cleaned and disinfected at frequent intervals.
- The rooms are ventilated and cleaned daily with disinfectant polish.
- Meals are prepared under hygienic conditions.
- We have a protocol in case of a suspicion of contamination by Covid-19.

TAKE CARE OF EACH OTHER!

- Keep 1.5m away from the other guests.
- Wear a mouth mask if 1.5m distance is not possible.
- Ensure good hand hygiene. Wash your hands regularly and use the handgel in the common areas.
- Cough or sneeze in your elbow or the sleeve of your clothes.
- Postpone your stay in our B&B if you have symptoms of illness. Contact us for our exceptional cancellation conditions regarding Covid-19.
